**GP 1222 - 2015 City Paving Program
The City of Canton Engineering Department**

Invitation to Bid Change 1:

Replace General Condition 40 on page 20 of the original Invitation to Bid with the following:

(40) **Starting and completing the work (Contract Duration):** The Contractor shall not start the work embraced in this contract before the date of a written notification from the Engineer, and shall commence at such points as the City may direct.

If the work done under this contract conflicts with other work done for or by the City, or with its consent, the City shall determine the time and manner of procedure of the operations carried on under this contract.

All work on the following streets must be completed by July 17, 2015:

| Ref. No. | Street | From | To |
|-----------------|-----------------|----------------|-----------------|
| 1 | Smith Ave. NW | 4th St. | 7th St. |

| | | | |
|----|-----------------|----------------|-------------|
| 22 | 17th St. NW | Vassar Ave. | Market Ave. |
| 23 | Gross Ave. NE | Colonial Blvd. | 28th St. |
| 24 | Beverly Ave. NE | Colonial Blvd. | 28th St. |
| 25 | Vassar Ave. NW | 15th St. | 17th St. |

The City will use ODOT Specification 108.06 through 108.09 in regards to delays and time extensions.

Contractor is responsible for any additional costs due to weather-sensitive construction, such as, but not limited to, protecting concrete from freezing, heating of water as needed, etc. as well as insuring that all materials used satisfy appropriate specifications such as, but not limited to, asphalt temperature specifications, non-frozen backfill material, etc.

The permitting of the Contractor to complete the work or any part thereof, after the time fixed for its completion, shall in no way operate as a waiver on the part of the City of any of its rights under this contract.
